

Thankful letter

April 8th, 2004

Dear Sir:

My name is Zhang Rong, I'm English education Class 3, Grade 1, 2003. I'm from Qiu Bei Wenshan of YN. My family is very poor, economic crisis, and my father the accident was the death of him at the age of me two years. With teachers' effort, help and care, I could go to Li Jiang Education college.

In the last term, I got the subsidize come from Sunrise Education Foundation of America organization for the poor students study in Li Jiang Education college.

The subsidize of this action made me didn't anxious with my life, and made me spend the hard study life, at the same time, it reduces burden of my family. I will not forget the care and support which be given come from you forever. I will use my practical action to express my gratitude during the short three years. I will try my best to study well and take part of action activity, and cooperate the job with students and teachers. I will become a good student do my best.

English education Class 3, Grade 1, 2003.
